

PRODUCT DESCRIPTION

A specially formulated blend of Ketone, alcohol & aliphatic solvents designed to clean vehicle brakes, clutches and to dampen harmful dusts.

APPLICATION

It provides speedy and effective removal of dirt, grease, brake fluid, brake & clutch lining dust from vehicle clutches, brake drums, shoes, discs and calipers.

DIRECTIONS

Apply liberally by spray, brush or cloth to the area to be cleaned and wipe off residues with an absorbent cloth.

N.B. Always test brake operation after cleaning.

PROPERTIES

A low viscosity rapid drying liquid. Suitable for "Wetting" and flushing brake and clutch dusts – also removes grease, oil and brake fluid. The product may also be used as a tar and glue remover but care should be taken as certain plastics and paintwork may be affected.
